

Dear County Secretary

We are committed to serving the sports of Squash & Racketball to the best of our ability and need your help in shaping the future of the sports in England. To help us achieve this, we have put together an online Squash & Racketball Survey to ask everyone in the sport – players, coaches, supporters, administrators, clubs, volunteers, referees and others – for their views. We would like to know what people value in their relationship with England Squash, what you'd like to improve and what new activities you would like to see. You can go directly to the survey by clicking on [www.surveymonkey.com/s.aspx?sm=OB5om5Jq98rVnMKwX5O3oQ\\_3d\\_3d](http://www.surveymonkey.com/s.aspx?sm=OB5om5Jq98rVnMKwX5O3oQ_3d_3d) or via [www.englandsquash.com](http://www.englandsquash.com).

I would be very grateful if you could do two things for us:

- Please send this note on to your club contacts in your county asking them to complete it and also send on to their members. The survey only takes 5-10 minutes to fill out and all respondents have a chance of winning more than 50 great prizes including VIP Tickets, coaching sessions from some of the greats in the game, rackets, clothing and balls.
- Fill in the survey yourself!

The more responses that we get, the better informed we will be. We're trying to reach as many people as we can with the survey – it's possible as a consequence that you might receive this, or similar emails, from different England Squash sources. I'm sorry if that happens.

Thank you for your continued support. Your help is greatly appreciated!

Best regards
